Verification of Identity

Identity must be verified at initial application; it is the one point of eligibility that must be verified even for expedited applications.
We do not require a picture ID. ALL possibilities for identity verification must be exhausted before an application is denied for this reason.
Any document which reasonably establishes identity must be accepted.
To verify identity:
FIRST, check GA Gateway to see if identity has previously been verified. This may be established by:

✓ Case record documentation

Also check DIS (Document Imaging System) if available for identity verification. DIS checks OFI, Child Care, and Child Support records.

NEXT, if verification cannot be obtained through a data match, accept any reasonable verification from the client including (but not limited to):

✓ Driver's license
✓ State ID
✓ Social Security Card
✓ Corrections ID
✓ Work ID
✓ Alien Card
✓ Birth Certificate
✓ Passport
✓ Military ID
✓ Health benefit care—insurance, Medicaid, or Medicare
✓ ID from another assistance program such as WIC or child support
✓ Voter registration card
✓ Wage Stubs
✓ School ID
✓ Collateral Contact

Verification of Residency

Residency must be verified at initial application; residency verification may be delayed for expedited applications.
Any document which reasonably establishes residency must be accepted. To verify residency:

**FIRST**, check GA Gateway to see if residency has previously been verified. If, for example, residency was previously verified with a GA Driver’s License this may be used as verification of residency for the new application as well. Also check DIS (Document Imaging System) if available for residency verification. DIS checks OFI, Child Care, and Child Support records. **NEXT**, check all available date matches for possible residency verification including (but not limited to):

- Work Number that matches the address provided
- SDX/BENDEX that matches the address provided
- DOL New Hire alert that matches the address provided
- DOL UCB match that shows client’s name and address
- Tax Assessors Website (www.gaassessors.com) if name and address match

**FINALLY**, if verification cannot be obtained through a data match, accept any reasonable verification from the client including (but not limited to):

- mortgage statement or lease
- rent or utility company receipts
- school records
- any other document proving residency
- Driver’s license that matches the address provided
- State ID that matches the address provided
- Voter registration card that matches the address provided
- Wage Stubs, if a home address is included and matches the address provided
- written statement of responsible reference
**Verification of Citizenship**

Citizenship must be verified at initial application or if a new member is added to the FS AU. Citizenship verification may be delayed for expedited applications.

Any document which reasonably establishes citizenship must be accepted.

To verify citizenship:

**FIRST**, check GA Gateway to see if citizenship has previously been verified. If the applicant receives Medicaid or TANF, citizenship is established through those programs.

Also check DIS (Document Imaging System) if available for citizenship verification. DIS checks OFI, Child Care, and Child Support records.

**NEXT**, check all available date matches for possible citizenship verification including (but not limited to):

- Georgia Vital Records information that matches the client’s name and DOB
- SDX/BENDEX records that indicate receipt of RSDI disability (not RSDI on another person’s account), Medicare, or SSI
- GA Gateway records that indicate the member received Newborn Medicaid at any time
FINALLY, if verification cannot be obtained through a data match, accept any reasonable verification from the client including:

- Birth certificate
- Certificate of Citizenship (N-560, N-561, N-600, or N-643)
- Naturalization certificate (N-550) (N-570)
- Report of Birth Abroad of U.S. Citizen (Form FS-240, FS 545, DS 1350)
- U.S. Citizen I.D. card (I-197 or I-179)
- U.S. Passport
- Consular Report of Birth
- American Indian card (I-872), first issued by INS, now known as the United States Citizenship and Immigration Services (USCIS) in 1983
- Northern Mariana Primary I.D. card (I-873), issued prior to 1986 and to applicants born prior to 11/3/86 by INS
- Court records of parentage, juvenile proceedings, or child support indicating place of birth
- Property records verifying U.S. citizenship status
- Religious record of birth recorded in the U.S or its territories within three months of birth. The document must show either the date of birth or the individual’s age at the time the record was made
- Any document that establishes place of birth or U.S citizenship such as records from SSA, VA, local government agencies, hospitals, and a clinic’s record of birth or parentage

**How Do I Apply for Benefits?**

Step 1. Fill out the application.

Read the questions carefully and give accurate information. Sign and date the application.

Step 2. Turn in the application. You will need to tear off pages 1-3 and keep it for yourself.

Mail, fax, or bring in pages 4-8 of this application to your local Division of family & Children Services (DFCS) office. Step 3. Talk with us.

You may need to complete an interview with a case manager. If so, we will give you an appointment. This interview can be completed by phone.

**Frequently Asked Questions**

**How long does it take to get benefits?**
- Food Stamps: up to 30 days
- TANF: up to 45 days
- Medicaid: 10 to 60 days
You may be able to get Food Stamps within 7 days if you qualify. See page 5.

**How much will I get?**
Your income, resources, and family size determine benefit amounts. We will be able to give you specific information once we determine your eligibility.

**How will I get my benefits?**
For Food Stamps and TANF, you will get an Electronic Benefit Transfer (EBT) card to access your benefits. For Medicaid, you will receive a Medicaid card for each eligible member.

**What information will I need to provide?**
It is a good idea to provide the following:
- Proof of identity for the applicant if applying for Food Stamps and/or TANF. Proof of identity for everyone requesting Medicaid if applying for Medicaid. Ex: An identification card (ID) or driver’s license (DL)
- Proof of US citizenship/qualified immigrant status for everyone requesting benefits
- Social Security numbers of everyone requesting assistance
- Proof of income for example, pay stubs, child support payments, and income award letters

You will be given time to return any information to our office. If you need help getting this information, please tell us.

**How do we use the applicant’s personal information?**
You only have to provide Social Security Numbers (SSN) and citizenship or immigration status for persons who want to apply for benefits. This information will be used to check the income and eligibility verification system (IEVS). We will also match your information against other Federal, state and local agencies to verify your income and eligibility. If a household member does not want to give us information about their SSN, citizenship, or immigration status, other household members may still receive benefits.

**Can someone else apply for me?**
Yes, for Food Stamps and Medicaid, you may ask someone to apply for you. For TANF, anyone can apply but the parent or caretaker must be interviewed.

In all programs, you have the right to:

- request a fair hearing in writing or in person. You have the right to be represented by a household member, legal counsel, a relative, a friend or other spokesperson. If you are not satisfied with the action we have taken on your case, you can request a hearing by contacting the county office where you applied for benefits or by calling 1(800) 869-1150.

- review some of the material and information in your case file. However, you may not be able to see all of the information in the case file, such as names of people who have given us information about you or your household members or information about any criminal prosecutions involving you or any of your household members.

decide if you want to provide Social Security Number (SSN), citizenship, or immigration status information (cont.). Individuals who are applying for public assistance must provide or apply for an SSN, and/or verify their citizenship or immigration status. Some immigrants are eligible and some are not, depending on their legal status. If you or anyone in your household does not have an SSN, we can help you apply for one. Applying for an SSN will not delay a decision on your application for benefits. An individual, who is not applying for public assistance and who does not provide an SSN, citizenship or immigrant status may be designated as a nonapplicant.

A non-applicant is not required to provide an SSN, citizenship, or immigrant status but is required to provide other information that may affect the eligibility of the other applicant AU members such as income or resources. A non-applicant is not eligible to receive benefits. Only the people who give information to us about their SSN, citizenship, or immigration status will be eligible to receive benefits. We will use this information to check the Income and Eligibility Verification System (IEVS). We will also match your information with other Federal, state, and local agencies to verify your income and eligibility. This information may also be given to law enforcement officials to use to catch people who are running from the law. If your household has a Food Stamp claim, the information on this application, including SSNs, may be given to Federal and State agencies and private claims collection agencies for them to use in collecting the claim. We will not share your information with the United States Citizenship and Immigration Services (USCIS); however, if immigration status information has been submitted on your application, this information may be subject to verification through USCIS and may affect your household’s eligibility and benefit level. We will not deny benefits to applicant assistance unit (AU) members because other AU members fail to provide their SSN, citizenship, or immigration status. Applying for or receiving Food Stamp benefits does not make a non-citizen a public charge. Receiving or accepting Supplemental Security Income (SSI), TANF cash assistance, certain categories of Medicaid, or state General Assistance could make a non-citizen a public charge if all eligibility criteria are met. However, receiving these benefits does not automatically make an individual admissible or ineligible to adjust his/her status to lawful permanent resident on a public charge basis. A "public charge" means you are a person who is likely to become "primarily dependent" on the government to maintain your way of life, as demonstrated by either the receipt of public cash assistance for income maintenance or by institutionalization for long-term care at the government’s expense.” If you are considered to be a public charge, you will not be deported, or denied permanent status because you have applied for or receive public assistance. Emergency Medicaid, including labor and delivery, is available for pregnant non-qualified and undocumented immigrants.

decide if you want to provide information about your race and ethnicity. We collect data on race color, and national origin to ensure we are in compliance with Federal civil rights laws. By providing this information, you will assist us in administering our programs in a non-discriminatory manner. Your household is not required to give us this information and it will not affect your eligibility or benefit level.

What Are My Responsibilities in the Food Stamp, TANF and Medicaid Programs?
In all programs, you are responsible for:

- giving your worker correct information and providing proof of statements needed to receive benefits. When you sign this form, you are giving your worker permission to get information from your employer, bank, neighbor or others so we can make sure you are receiving the correct amount of benefits.
- telling the truth at all times. If you or someone who is applying for you provides incorrect information, you may lose your benefits or be subject to criminal prosecution for knowingly providing false information.
- providing proof that you or anyone in your household applying for benefits is a U.S. citizen or qualified immigrant. Note: Your worker will give you a list of the ways you can prove your citizenship or immigration status.
- reporting certain changes in your household situation. Each program has different reporting requirements. See the responsibilities section for each program for things you need to report.
What Other Responsibilities Do I Have in the Food Stamp Program?

In the Food Stamp Program, you are also responsible for:

- cooperating with Quality Control reviewers when they call or come to your home to interview you about the information you have given your case manager. If you do not cooperate with them, your case may be denied or closed.
- repaying benefits you should not have received.
- reporting when your household’s total gross monthly income is more than 130% of the Federal Poverty Level for the household’s size. You may be given a Form 339, Simplified Reporting Requirement Notice, which explains more about this.

If you are a single working adult with no children, you must report when your work hours fall below 20 hours per week or 80 hours per month.

What Are My Rights and Responsibilities for Reporting Household Expenses in the Food Stamp Program?

In the Food Stamp Program, certain household expenses such as shelter costs, medical bills, dependant care costs, and child support paid outside the home may affect the amount of benefits you receive. If you have heating or cooling expenses, you may be eligible to receive the standard utility allowance. If you have only one utility expense and it is NOT a heating or cooling expense, you may be eligible to receive a deduction for the actual expense incurred. If you want us to consider these expenses, you are responsible for reporting and verifying them. If you fail to report or verify these expenses, we will not use them to determine your benefit amount.

Rights and Responsibilities

What Other Rights Do I Have in the TANF Program?

In the TANF Program, you have a right to:

• be excused from certain rules if you are a victim of domestic violence. Your case manager will talk to you about the rules that you will not have to follow.

What Other Responsibilities Do I Have in the TANF Program?

In the TANF Program, you are responsible for:

• cooperating with state and federal personnel who work for Fraud Prevention or the Office of Investigative Services and who are doing special case reviews. If you do not cooperate, your case may be denied or closed.

• repaying benefits you should not have received.

• participating in a work activity if you are a parent or adult included in the TANF benefit, unless you are exempt. We will work with you to find the best work activities to help you become self-sufficient. We may have to reduce or stop your TANF benefits if you do not cooperate with us, and there is not a good reason.

• reporting that you or someone included in your TANF benefit has received or is expecting to receive a lump sum of money. Your TANF benefits may stop for one or more months and your family may have to live on the lump sum for several months.

• cooperating with the Division of Child Support Services if you receive TANF benefits. You must help the Division of Child Support Services determine who is the father(s) of your child/children and help them get a court order for child support. If you do not cooperate with them and there is not a good reason, your TANF benefits may stop.

• notifying your case manager if you want to receive child support money instead of your TANF benefits. When you get TANF benefits, you may not receive all of your child support payment. You may receive only a portion of it called a "gap" payment. The state keeps the rest of the child support payment to pay back the TANF benefits that you receive.

• reporting certain changes in your household situation about you and other eligible household members within 10 days of knowing about them. Please let us know if you or any member of your household:
  - starts or stops receiving any unearned income
  - changes jobs, gets a new job, quits a job or gets laid off
  - moves in or out of your home
  - has a baby or there is any other change, for example,
  - a child drops out of school
  - the whole family moves to another county or state, or,
  - someone dies.

What Other Rights Do I Have in the Medicaid Program?

In the Medicaid Program, you have a right to:

- receive Medicaid even if you have other health insurance.
- choose your Medicaid doctor or provider. Always ask your doctors if they accept Medicaid as payment for their services.
- have your Medicaid application approved or denied within 10, 45 or 60 days from the date you apply, depending on the type of Medicaid.
- be excused from providing information about your child’s absent parent or from pursuing medical support from the absent parent if you have a good reason such as domestic violence. Talk to your case manager if you think you have a good reason.

What Other Responsibilities Do I Have in the Medicaid Program?

In the Medicaid Program, you are also responsible for:

- telling your worker if you or your children have other health insurance. If the health insurance changes or ends, you must tell your worker within 10 days. The health insurance information is sent to the Department of Community Health. In most cases, your other health insurance must pay your medical expenses first. You must tell your doctor or other health care providers that you have other insurance so that they can bill the other health insurance providers before they bill Medicaid.
- cooperating with the Medicaid Estate Recovery Program if you are:
  - a resident in a nursing home
  - a resident in an intermediate care facility for mental retardation
  - a resident in another mental institution where medical care is paid by Medicaid
- cooperating with the Medicaid Estate Recovery Program if you are age 55 years or older and:
  - receive home and community-based services.
  - are enrolled in and receive services through a waiver program.
- I agree to assign to the State all rights to medical support and to payment for medical care from any third party (hospital and medical benefits). I agree to cooperate with the State in identifying and providing information to assist the State in pursuing any third party who may be liable to pay for care and services. I understand that I must report any payments received for medical care within ten days. (If you are completing this form on behalf of another individual and do not have the power to execute an assignment for that individual, the individual will need to execute an assignment of the rights described above as a condition of his/her eligibility for Medicaid).
- reporting changes about you and the other people in your Medicaid case. Please report:
  - if you or other household members move
  - if you or other household members change jobs, get a new job, quit a job or get laid off.
  - if you or other household members have a change in income or resources
  - if a family member moves in or out of your home
  - if you or another household member inherits or receives money or property from any source
  - if someone in your home dies or gets married
  - any other changes
- telling your case manager when your pregnancy ends. Pregnancy ends with the birth of the baby, a miscarriage or an abortion. You must report the end of the pregnancy within 10 days.
Georgia Department of Human Services
Rights and Responsibilities

- I agree to give the State the right to require an absent parent to provide medical insurance, if available. I understand I must get medical support from the absent parent if it is available and must cooperate with the Division of Child Support Services in obtaining this support. If I do not cooperate, I understand I may lose my Medicaid benefits and only my children will receive benefits unless good cause is established.
- Cooperating with Medicaid Eligibility Quality Control when they call or come to your home to interview you about the information you have given your case manager.

Committing fraud or abuse is against the law. You may be referred to the Medicaid and PeachCare for Kids® Fraud Control Unit. Violators may be limited to using one provider, terminated from the program or asked to reimburse the Department of Community Health for medical services provided.

Fraud is a dishonest act done on purpose. Abuse is an act that does not follow good practices.

Examples of participant fraud and abuse are:

- Letting someone else use your Medicaid, PeachCare for Kids® or CMO health insurance card.

- Using forged documents to get services.
- Misusing or abusing equipment that is provided by Medicaid or PeachCare for Kids®.
- Providing incorrect information or allowing others to do so in order to obtain Medicaid or PeachCare for Kids® eligibility.
- Failure to report changes which occur in income, living arrangements, or resources.

Tell Us about the Applicant and All Household Members

Please fill out the chart below about the applicant and all household members. The following federal laws and regulations: The Food and Nutrition Act of 2008, 7 U.S.C. § 2011-2036, 7 C.F.R. § 273.2, 45 C.F.R. § 205.52, 42 C.F.R. § 435.910, and 42 C.F.R. § 435.920, authorize DFCS to request your and your household members social security number(s). If anyone in your household does not want to give us information about his or her citizenship, immigration status, or social security numbers, then that person can be designated as a non-applicant. This means that the person will not be considered an applicant and will not be eligible for benefits. However, other household members may still be able to receive benefits, if they are otherwise eligible. If you want us to decide whether any household members are eligible for benefits, you will still need to tell us about their citizenship or immigration status and give us their SSN. You will still need to tell us about your income and resources to determine the eligibility and benefit level of the household. Individuals will not be reported to the United States Citizenship and Immigration Services if they do not give us their citizenship or immigration status.

Tell Us about the Applicant and All Household Members

Please fill out the chart below about the applicant and all household members. The following federal laws and regulations: The Food and Nutrition Act of 2008, 7 U.S.C. § 2011-2036, 7. C.F.R. § 273.2, 45 C.F.R. § 205.52, 42 C.F.R. § 435.910, and 42 C.F.R. § 435.920, authorize DFCS to request your and your household members social security number(s). If anyone in your household does not want to give us information about his or her citizenship, immigration status, or social security numbers, then that person can be designated as a non-applicant. This means that the person will not be considered an applicant and will not be eligible for benefits. However, other household members may still be able to receive benefits, if they are otherwise eligible. If you want us to decide whether any household members are eligible for benefits, you will still need to tell us about their citizenship or immigration status and give us their SSN. You will still need to tell us about your income and resources to determine the eligibility and benefit level of the household. Individuals will not be reported to the United States Citizenship and Immigration Services if they do not give us their citizenship or immigration status.
